

SINGAPORE YOUTH FESTIVAL 2022
ARTS PRESENTATION FOR BAND (MARCHING)
(SECONDARY SCHOOL LEVEL)

RESULTS

After a 4 years hiatus, a total of 3 secondary schools participated in the SYF 2022 Arts Presentation for Band (Marching), held on 26 April at the Singapore Indoor Stadium.

Overall, the schools put up well-rehearsed shows despite the challenges faced under the COVID-19 situation. As each marching band performance comprises both musical and visual elements, schools should strive towards achieving a better overall balance between these elements to deliver a more effective presentation.

The result for each school should be read together with the written feedback given by the adjudicators, as well as the overall report for the category. The feedback and report will be sent to schools in May 2022.

Together, these will support schools in planning for their programmes to further improve their student development plans for their band CCA.
