

**SINGAPORE YOUTH FESTIVAL 2022**  
**ARTS PRESENTATION FOR DRAMA**  
(JC/MI LEVEL)

**RESULTS**

A total of 17 schools from Junior Colleges/ Millennia Institute participated in the SYF 2022 Arts Presentation for Drama, held from 21 to 27 April at Gateway Theatre.

Majority of the schools explored original works in their presentations which reflected the students' sense of ownership in the work displayed. The dramatic styles explored were diverse and the themes touched on contemporary issues close to their hearts. Great commitment and creativity was displayed to realise their characters on stage.

The result for each school should be read together with the written feedback given by the adjudicators, as well as the overall report for the category. The feedback and report will be sent to schools by June 2022.

Together, these will support schools in planning for their programmes to further improve their student development plans for their drama CCAs.
